

Rugged Construction/ Military 810F Spec

Certified to Military Standard 810 F for dust, shock, vibration, temperature extremes, low pressure, and solar radiation. Performs in extreme outdoor environments and stands up to dusty environments, drops, exposure to vibration from heavy machinery use, and hot/cold climates.

Direct Connect Service

- Direct Connect Service that instantly connects you to all other Nextel users - across town or across the country.
- Group Connect: Users can instantly connect a group of people nationwide all at once.
- One-touch Direct Connect: Set your phone and instantly connect to the last Direct Connect call or an assigned Direct Connect contact by pressing the Push-To-Send (also works for Group Connect)
- Direct Connect Speaker and Privacy Modes: Use the private speaker button to switch from the external speaker to the earpiece for private conversations or to minimize disruptions in quiet environments

Sprint PCS Voice Calling

Connect to the Powerful Sprint PCS network for voice calls.

Note: If you previously had a Nextel phone, please note that you will see different charges in the Surcharges & Fees section of your bill.

Sprint PCS Vision

Sprint PCS Vision transforms your wireless experience from functional to fantastic with features and content that are very visual, extra entertaining, and perfectly personalized.

Note: If you previously had a Nextel phone, you will need to cancel your Nextel data services and re-subscribe to PCS Vision services. Certain Nextel services are not available with this handset.

GPS Enabled

Features an embedded Global Positioning System (GPS) chip necessary for utilizing the E911 emergency location services, where available. In addition, supports location-based applications. Whether you need turn-by-turn driving directions or a smarter way to manage your mobile travel needs, GPS solutions can help get it done.

Direct Talk^(SM)

The all-digital off-network Direct Connect that works anywhere, anytime between compatible phones within a range of up to 6 miles (range will vary based on terrain and conditions). Direct Talk^(SM) provides reliable back-up communications tool in times of emergency, network outage, or when traveling to remote areas not under Nextel coverage such as hiking, cruise vacations or inside buildings. [Click here](#) to learn more about this service.
