

### **Sprint Vision®**

Sprint Vision gives you the power to do amazing things, every day. Enjoy innovative wireless services like web access, and email and text messaging capability. Plus, with the Sprint® National Network, you get the nationwide coverage and voice clarity you've come to expect from Sprint®. Get the best value from your Sprint® Vision phone today.

### **Sprint® Picture Mail<sup>SM</sup>**

Shoot, share and print high-resolution digital photos instantly.

### **Streaming Music**

Listen to R&B, hip-hop, country and rock, and access Sirius, Vh-1 and MTV to see the latest headlines and video clips of your favorite artists.

### **Bluetooth® Enabled**

Enjoy the convenience of hands-free communication by using headsets, car-kits and other Bluetooth-compatible devices.\* \*Bluetooth wireless accessories are sold separately.

### **Digital Camera**

Capture images up to 640 x 480 pixels with the digital flash camera and zoom, then easily share photos with family and friends.

### **Speakerphone**

Enjoy easy, hands free communication with a speakerphone that lets you hear callers loud and clear.

### **SMS Voice and Text Messaging Enabled**

Instantly send and receive SMS Text Messages across the room or across the country, anywhere in the Nationwide Sprint PCS Network. Text messaging without typing! Send voice messages to any mobile phone or email address. Just select a recipient, record a message and send.

### **Speaker-independent voice dialing**

Say the name of any entry in your phone book and the number is dialed automatically without using the keypad. This feature is speaker-independent, so there is no need to train the phone to respond to any one person's voice. Receive an audible status report of your phone/s coverage, signal strength, and battery strength.

### **Polyphonic Ringers**

Choose from a wide selection of ringers playing in rich, 32-chord harmony. Download new ringers anytime to update your sound.

### **Games**

Download exciting, interactive games that you'll want to play all the time. With hundreds of options to choose from, it's easy to find all your favorites.

### **Screen Savers**

Download images to use as screen savers. Or assign them to your phone book for instant caller ID.

### **Phone as Modem**

Use the optional USB cable, or Bluetooth® Wireless technology, to connect with a PC for Internet and email access on the Nationwide Sprint® Network.

### **PictBridge**

Print pictures directly to PictBridge-supported printers, without a computer, using the available USB cable.

### **Picture caller ID**

Identify callers at a glance by linking downloaded photos and other images to your phone book.

### **T9 text input**

Compose messages easier and faster. Predictive text input and the internal dictionary predicts text as you type, making it simpler to send messages.

**Wireless Backup**

If your phone is ever lost, stolen, damaged or replaced, you can use Wireless Backup to restore your contact information quickly and easily. Additional charges apply.

**Multiple languages**

Personalize your phone by choosing English or Spanish for all voice and text menu prompts.

**TTY**

Compatible with select TTY devices.

**Hearing Aid Compatibility**

The M300 by Samsung® has received a rating of M4/T4
