You'll enjoy advanced wireless services, like web access, email and text messaging that is easy to learn and use anytime. Plus, with the Nationwide Sprint PCS Network you get the nationwide coverage and voice clarity you've come to expect from Sprint. Get the most from your Sprint PCS Vision phone today.

Qwerty Keypad

Access menus and other screens instantly. Compose messages and enter data on the familiar QWERTY keyboard layout.

Bluetooth Wireless Technology

Built-in radio technology for short-range wireless communication. When used with your Sprint PCS Phone and accessories, Bluetooth allows fast, secure transmission without cables or wires, even though the two devices are not in line-of-sight. Bluetooth wireless accessories sold separately.

1.3 megapixel camera and camcorder

Capture high resolution images with the digital camera and zoom. Create your own video clips and easily share them with family and friends.

MP3 Audio Player

Listen to your favorite music using your phone's MP3 Player

Mass Storage

Store photos, video clips, voice memos and music for instant access anytime. *Supports up to a 4GB card.

One Touch Messaging Access

Ability to access the messaging menu with 1 touch. The softkey from the idle screen takes you to messaging menu. Also, whenever you slide open the phone, it automatically populates the messaging menu for you.

SMS Text Messaging

Instantly send and receive SMS text messages across the room or around the country.

T9 Text Input

Compose your messages easier and faster with prediction text input using the phone's built-in dictionary. T-9® Text Input lets the device predict the text you enter. It makes sending messages simple and more efficient!

Instant Messaging

Send and receive IM and email from your phone. Join a Web-based topic group or chat privately.

SMS Voice Messaging

Send voice messages to any number or email address in your phone book without dialing or waiting. Easily play back voice messages sent to your inbox.

Built-in Ring Tones

Choose from 30 built-in ring tones, offering a variety of traditional ring tones as well as polyphonic melodic ring tones (up to 32 chords) and vibrating alert.

Text Tones

Assign a text tone to a contacts entry so you can identify the sender by the text tone.

Communities Access

Quick access to Facebook web page in the messaging menu.

Built-in Productivity Tools

Access your planner and scheduler; check your task list and more. Also includes a world clock, calculator, memo pad, and alarm clock.

Games

Download and play entertaining; interactive games that you'll want to play all of the time. With hundreds of games to choose from , you'll find the games just right for you.

Internal Phone Book

Assign up to 499 entries, each storing 5 numbers, email and internet addresses, with a total phone book capacity of up to 2495 numbers, email and URL addresses.

Speakerphone

Hands free operation is made easy with built-in speakerphone.

TTY Compatible

This phone connects to a TTY device, allowing anyone who is visually- or hearing-impaired the ability to communicate.
